Residential on 0.09 Acres

Fireside, Cochrane, Alberta

GREAT VALUE HERE! Detached 4 bedroom former show home with fully finished basement, and potential for a SUITE under \$525K! So many features here - nice open floor plan, large kitchen w/ huge island and eat up bar with overhead pendant lighting and stainless appliances, feature decor walls, and many extras, including central AIR CONDITIONING. The main floor living space is both bright and welcoming. Upstairs you will find three good sized bedrooms, including a primary bedroom with walk in closet and 4 pce ensuite. Another 4 pce bath rounds out this floor. There is a common entry / mud rm / laundry area at the back, that serves as a separate entrance for the lower level - super handy and convenient for a rental suite in the future. The lower area features a flexible living space, IKEA kitchenette, good sized bedroom, and storage. There is a nice sized back yard that is fenced on both sides, and the dbl garage footings and pad are already in! There is available parking for three vehicles at the back. A gas line for a BBQ (included) is a plus! Market rents in the area dictate a legal basement suite fetches \$1300 - \$1400/mo. Potential for flexible possession. A secondary suite would be subject to approval and permitting by the municipality. Don't delay - it won't be around long.
