Welcome to your next family home—nestled on a quiet, family-friendly street where pride of ownership shines and neighbours still wave hello.

This beautifully maintained 4-bedroom, 2.5-bath home offers a warm, open-concept layout designed for everyday comfort and easy entertaining. From the gleaming hardwood floors on the main level to the cozy three-way fireplace and central air conditioning, every detail has been thoughtfully curated for year-round enjoyment.

The spacious kitchen is a true hub of the home, featuring a large island with tons of seating, sleek stainless steel appliances, a walk-in pantry, and plenty of counter space for meal prep or gathering with loved ones. For added convenience a 2 pc. bathroom and easy rear deck access are located off the chef-inspired kitchen.

Upstairs, you™ll find three generously sized bedrooms—each with walk-in closets—including a serene primary suite with a full ensuite. An additional full bathroom serves the other two bedrooms, making mornings smoother for busy households.

The basement is nearly finished, offering a

large living room, a completed fourth bedroom or flex space, roughed-in plumbing for a future bathroom, and another unfinished roomâ€”perfect for a fifth bedroom, gym, or extra storage.

Enjoy sunny afternoons in your private backyard oasis, where the low-maintenance landscaping means more time relaxing on the deck and less time on yard work. A wide rear lane leads to your oversized double detached garage, and as an added plus enjoy the parking pad/driveway in the back!
